**OFFICE OF PETITIONS**

In re Application of	:
Soheila Abdolbaghian et al	:
Application No. 09/721,498	: DECISION REFUSING STATUS
Filed: November 22, 2000	: UNDER 37 CFR 1.47(a)
Attorney Docket No. 81087-250435	:

This is in response to the petition, filed September 18, 2001, requesting reconsideration of a decision mailed August 15, 2001, which refused to accord 37 CFR 1.47(a) status to the above-identified application.

The petition is dismissed.

Rule 47 applicant is given TWO MONTHS from the mailing date of this decision to reply, correcting the below-noted deficiencies. Any reply should be entitled "Request for Reconsideration of Petition Under 37 CFR 1.47(a)," and should only address the deficiencies noted below, except that the reply may include an oath or declaration executed by the nonsigning inventor. **FAILURE TO RESPOND WILL RESULT IN ABANDONMENT OF THE APPLICATION.** Any extensions of time will be governed by 37 CFR 1.136(a).

A grantable petition under 37 CFR 1.47(a) requires: (1) proof that the nonsigning inventor cannot be reached or refuses to sign the oath or declaration after having been presented with the application papers (specification, claims and drawings); (2) an acceptable oath or declaration in compliance with 35 U.S.C. §§ 115 and 116; (3) the petition fee; and (4) a statement of the last known address of the nonsigning inventor. Applicant lacks item (2) set forth above.

As to item (2), as noted in the decision mailed August 15, 2001, the declaration is defective since it is not in compliance with 37 CFR 1.63 and 1.64 and, as such, is not acceptable. As explained in the decision of August 15, 2001, the declaration

Petitioner seeks to satisfy the requirements of 37 CFR 1.47(a), 37 CFR 1.63 and 37 CFR 1.64 by stating the citizenship of inventor Nguyen in the petition. Petitioner further states that it is his understanding from a conversation with Office personnel that Mr. Nguyen's residence and mailing address were sufficiently provided in the submitted declaration.

The applicant shall make oath that he believes himself to be the original and first inventor of the process, machine, manufacture, or composition of matter, or improvement thereof, for which he solicits a patent; and shall state of what country he is a citizen.

In view of the above, petitioner must submit an oath or declaration bearing the citizenship of inventor Nguyen, as well as his residence and mailing address. While, as noted above, the residence and address may be included on an Application Data Sheet, the citizenship must be set forth in the oath or declaration.

Further correspondence with respect to this matter should be addressed as follows:

By FAX: (703) 308-6916  
Attn: Office of Petitions

By hand: Crystal Plaza Four, Suite 3C23
